What are today’s manufactured homes like?

General · https://mysunrisecommunity.com/faq/what-are-todays-manufactured-homes-like/

Many of today’s manufactured homes feature innovative designs and custom home features like state of-the-art kitchens, luxury bathrooms and wood burning fireplaces. Some are also available in amenity-rich communities, which include swimming pools, tennis courts, golf courses and more – the same features you might find at a resort. The options for today’s consumer are much more like traditional homes than they were 30 years ago.
