Will I save money purchasing a mobile home compare to site-built home?

Financing · https://mysunrisecommunity.com/faq/will-i-save-money-purchasing-a-mobile-home-compare-to-site-built-home/

Yes, mobile homes buyers typically save 15% to 40% over buyers of comparable site-built homes. Because new mobile homes are built in a factory the environment is controlled so many external costs can be eliminated.
